

REMARKS CONCERNING THE AMENDMENTS

The above amendments were made in an effort to more clearly present the claimed technology and to correct an obvious typographic/editorial error in claims 140 and 143.

Cancellation of claims has been done without prejudice and in response to a position by the US PTO that sets of the cancelled claims are subject to a restriction requirement, Applicant having been determined by the Examiner to have been constructively elected prosecution on the merits of the subject matter of claims 1-139 by prosecution of the earlier claims.

CONCLUSION

Applicants believe that the application and claims are now in proper order and in condition for allowance. **If the Examiner believes that any issues remain that can be resolved by an Examiner's Amendment, the Examiner is respectfully requested to call the attorney of record.** Please direct any inquiries to the undersigned attorney at (952) 832-9090.

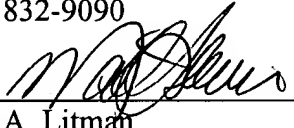

Respectfully submitted,

MICHAEL E. MOSELEY et al.
